

Eticketing – Activating Your Account

1. Visit www.eticketing.co.uk/walsallfc and click 'Sign In', then select 'Already have an account? Activate it now'

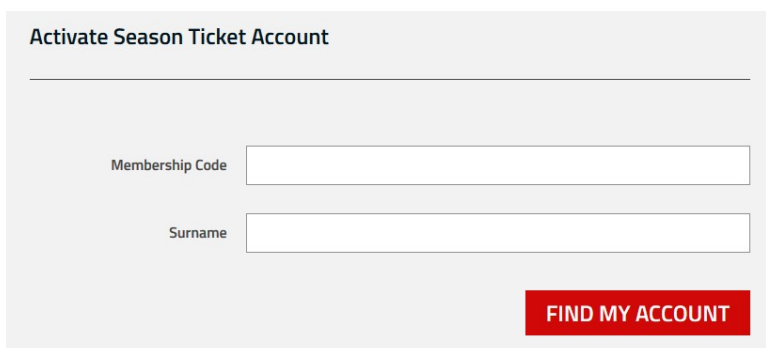

<https://www.eticketing.co.uk/walsallfc>

2. Enter your Membership Number (also known as your Client Reference number) which can be found in the information sent to you, either by post or email, about purchasing your season ticket for the 2021/22 season. If you do not receive this information, you can obtain your client reference number by contacting the Ticket Office either by phone or email.

3. Also, enter your surname, then choose 'Find My Account'

The screenshot shows the 'Sign in' page of the website. At the top, there are links for 'SIGN IN' and 'REGISTER'. The main heading is 'Sign in' with a close button. Below the heading, there is a sub-heading: 'for a more personalised experience and to access all available games and pricing.' The form contains two input fields: 'E-Mail Address' with the placeholder 'user.name@email.com' and 'Password' with the placeholder 'Password'. There is a link for 'Forgot your login details?'. A red 'SIGN IN' button is positioned below the password field. At the bottom, there are two options: 'Not registered? Create an online account now' and 'Have an existing account? Activate it now'. A blue arrow points from the text 'Activate it now' in the instructions to the 'Activate it now' link in the screenshot.

The screenshot shows the 'Activate Season Ticket Account' page. It has a heading 'Activate Season Ticket Account' and a horizontal line below it. There are two input fields: 'Membership Code' and 'Surname'. A red 'FIND MY ACCOUNT' button is located at the bottom right of the form.

4. This will bring up the information we currently hold about you. Please create a password and ensure all other information is filled in. The most important information we require is your email address to be able to send your iFollow code.
5. When you have completed this information, select 'Complete Registration' and you are then able to log in using the email address and password you have just set.
