PRENTON PARK THE HOME OF TRANMERE ROVERS FOOTBALL CLUB

Prenton Park has been the home of Tranmere Rovers since 1912, and has a capacity of more than 15,000.

Visiting supporters are housed for most, if not all, fixtures within the Summit Scaffolding Cowshed Stand. This seated and covered section alone has the capacity to accommodate 2,000 fans. Entrance is via turnstiles five, six, seven, eight and nine, located next to the traffic lights on the corner of Borough Road and Prenton Road West.

Tickets for this section of the ground can be bought in advance, usually through the visiting club, or on the day of the game via cash on the turnstiles. Pre-paid match tickets can be collected from the Matchday Collection Point which is located next door to the Club Store in the Main Stand. All tickets contain a barcode that will be scanned upon entry. Tickets can be in the form of an email on a device or the physical ticket printed. Duplicated tickets or damaged barcodes will not be admitted.

Bar facilities are available to all supporters using this section, in addition to both hot and cold refreshments. Matchday programmes can be purchased from both the Club Store and our mobile sellers, priced £3.

Facilities are also available for disabled supporters - both ambulant and wheelchair. Ambulant visiting supporters can gain entry to the Summit Scaffolding Cowshed Stand, while there are currently disabled bay areas for wheelchair users in the Bebington Paddock, which can be accessed through the Bebington Paddock turnstile blocks. This area is covered and additionally accommodates any accompanying wheelchair carers. A stair lift is in operation via the Platinum Lounge entrance for any disabled guests who are located in the Boardroom and Lounges on the first floor.

Disabled supporters are required to book in advance for all tickets, including our disabled parking spaces.
